# Safety

- Smooth PVC curtain without rigid components;
- blu. control unit to allow an easy setup with your phone;
- The hinged barrel cover can be opened easily and safely to speed up installation and maintenance;
- Light barriers integrated to the side rails, they create a safety barrier that when crossed, gives the opening impulse to the door.

## Cleanability

The barrel cover has a rounded shape to avoid the build up of dirt and dust.

## Airtightness

The PVC curtain is completed with welded zippers that maintain the curtain in polyzene rails ensuring airtightness.
